

M. Asad Saleem

Full Stack Web Developer

Islamabad | 03482530248 | techasad786@gmail.com | [Portfolio](#) | [Github](#) | [Linkedin](#)

About Me

I am a full-stack web developer who enjoys making web apps for clients and businesses. I have expertise in both frontend and backend development, and I can develop responsive and optimized web solutions according to the requirements. As a computer science graduate, I love solving problems and finding optimal solutions.
